## **DETAILED ACTION**

1. This application is in condition for allowance except for the following formal matters:

The abstract of the disclosure is objected to because it contains legal phraseology such as "or the like" and "means" which should be avoided. Correction is required. See MPEP § 608.01(b).

The drawings are objected to under 37 CFR 1.83(a). The drawings must show every feature of the invention specified in the claims. Therefore, the "molded plastic panel" in claim 6 must be shown or the feature(s) canceled from the claim(s). No new matter should be entered.

Corrected drawings are required in reply to the Office action to avoid abandonment of the application. The objection to the drawings will not be held in abeyance.

Prosecution on the merits is closed in accordance with the practice under Ex parte Quayle, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
